Support in Visual Communication and Poster Design

KATARINA JANDĚR & APRILE CLARK | LIBRARY & ICT, FACULTY OF MEDICINE, LUND UNIVERSITY

Early career researchers at the Faculty of Medicine expressed a need of support in visualising and communicating their research findings.

We set up a questionnaire for faculty PhDs attending compulsory courses on their experiences and need of support.

Exchange of ideas with educational consultant.

We participated in a PhD poster course at Faculty of Engineering (LTH).

TWO-DAY POSTER DESIGN COURSE

Content
- Focus on layout and basic visual communication
- Group discussion: 4-5 examples of posters from faculty researchers
- Introduction to InDesign
- Presentation & hands-on: InDesign and PowerPoint poster templates
- Group exercise: Reduction

Scope
- Target audience: PhDs, poster design beginners and interested in using Lund University poster templates
- Learning outcomes: designing an appealing and readable poster using tools from graphic design
- In both Swedish and English

INDIVIDUAL RESEARCHER SUPPORT

- Just-in-time support for pre-design help or feedback on a poster before printing
- PhDs can book an appointment for extended individual support in e.g. choosing format, setting the layout and working with templates
- We also offer tailor-made courses and workshops for research groups, on request and after agreement

WEB-BASED SUPPORT

- Web page on the faculty staff pages with useful layout tips and links to university resources such as the poster templates for Lund University
