

# EULAR European League Against Rheumatism

certifies that

**Pavlos Stamatis (Sweden)**

**has participated in the EULAR On-line Course on Connective Tissue Diseases from October 2017 - May 2018.**

The course was organized by the European League against Rheumatism. It consists of 16 modules covering specific rheumatology topics. Each module includes an introduction to the subject, in-depth discussions and interactive clinical cases and ends with an assessment. One module corresponds to up to five hours of study, totaling a maximum of 80 hours of educational training.

This certificate confirms that the self-assessments of all modules were completed and the final online examination, taken on 29 May 2018, was successfully passed.
