

# SHARING CITIES SUMMIT

Exploring the Role of Sharing Cities in Advancing the Sustainable Development Goals

Join us on 10-11 October 2019 to learn from world-leading test-beds in Sweden for experimenting with and evaluating sharing services and engage in critical discussions on the role of sharing cities in advancing the sustainable development goals.

## Collaborating

to promote innovative solutions for sharing, renting and replacing under-utilized assets

## Experimenting

through the design and trial of new solutions, technologies and policies

## Investigating

selected topics relevant for the test-beds and key actors

## Learning

and communicating the outputs from many sharing experiences

# 2019
