## Forskning

Doctoral student with a background in Anthropology and Feminist Political Ecology, with a Master's in Human Geography from the Universidad de los Andes, Colombia. She is currently researching the interactions between climate change policies and local strategies to overcome socioenvironmental injustices in the Colombian Caribbean.

## Anställning

### Doktorand

Institutionen för kulturgeografi och ekonomisk geografi  
Lunds universitet  
Lund, Sverige  
2021 sep. 3 → present

### Medlem i Strategiskt forskningsområde

BECC: Biodiversity and Ecosystem services in a Changing Climate  
Lunds universitet  
Lund, Sverige  
2023 apr. 26 → present

## Projekt

### ERG: Extractivism Research Group
